1. The previously scheduled trip to the Goodyear Research facilities at Akron has been postponed until 17 Dec. It is a one day trip, with departure from WNA at 8:30 a.m. and return to WNA about 5:30 p.m.

2. Dr. Wheelon now proposes to make the trip. I suggest, however, [redacted] stand ready to be our representative on short notice, should Dr. Wheelon's plans change in the meanwhile.
